

GREENVILLE SCHOOL STAGES PROGRAM ON CONSTITUTION DAY

GREENVILLE, O., Sept. 17.—Constitution Day, which falls on Saturday, Sept. 17, was fittingly observed by the high school Friday morning at 10:30 o'clock in the Henry St. Clair Memorial hall.

The hall was crowded to overflowing to hear the program which had been prepared by the United States history class, and listen to addresses made by the senior class. An interesting and eloquent talk was made by D. L. Gaskill.

One of the pleasing features of the program was the rendition of a solo by Miss Alethea Faust entitled "The Stars and Stripes."

During the rendition of the program the beautiful silk flag presented to the Greenville high school by the Women's Relief Corps during the state G. A. R. encampment held in Greenville last June was displayed for the first time.

A spirit of patriotism prevailed at the meeting, many citizens and members of patriotic organizations being present.

TWO OHIO MEN WILL PILOT BALLOON IN INTERNATIONAL RACE AT BRUSSELS

W. T. Van Orman, left, and Willard Seiberling, both of Akron, Ohio.

Two Ohioans are leaving to take part in the international balloon race at Brussels. They are W. T. Van Orman, pilot, and Willard Seiberling, aide, of the balloon "City of Akron." The American contenders were selected by the Area Club of America on the basis of the national balloon race held this summer. Due to the prevailing winds the balloons are likely to go across Germany, the Baltic sea and into Russia, and so the men have provided themselves with passports to several different countries. The only other international race held abroad was won in 1913 by two other Akron men, Ralph Upson and R. A. D. Preston. Upson is one of the contenders in this year's race. The race is for the James Gordon Bennett cup.

MENOHER RESIGNS PLACE AS CHIEF OF ARMY AIR SERVICE

WASHINGTON, Sept. 17.—Major General Charles T. Menoher Friday resigned as chief of the army air service, disclosing that his "flying general assistant, Brigadier General William Mitchell, had made a report virtually charging that the airplane was 'sold out' in the verdict on the recent bombing tests.

John W. Weeks, secretary of war, admitted that General Menoher had asked to be relieved and that General Mitchell had made a protest report which reached the secretary's office since the joint army and navy board vindicated the battleship.

"General Menoher has asked for an assignment with troops for personal reasons, and though I have not passed finally upon the application, it is the custom to give deference to officers' wishes," stated the secretary. "So far as I know, the old controversy between the general and his assistant had nothing to do with the matter."

At the same time Secretary Weeks declined to make public the Mitchell report.

General Menoher has been at the head of the army air service since 1918. During the World war he headed the 42nd division (Rainbow division), taking command at the time of the battle of Chateau Thierry and holding it until the completion of the Argonne-Meuse offensive, which ended the war. He was an artillery officer.

WITNESS TAMPERING CHARGE IN ARBUCKLE CASE TO BE PROBED

(By Associated Press)

SAN FRANCISCO, Sept. 17.—The county grand jury at its meeting Monday night will consider evidence that certain witnesses were tampered with in the case of Roscoe Arbuckle, accused of murder in connection with the death of Miss Virginia Rappe motion picture actress, Harry M. Kelly, secretary of the jury announced today.

"The jury also expects to clear up doubtful points in the medical attention given Miss Rappe," Kelly said. "The testimony of the doctors who attended her may be heard."

The witness tampering investigation of the jury is fixed upon the failure of Miss Zeh Provost, one of the principal witnesses against Arbuckle to tell to the jury the alleged facts that she detailed to the police and the district attorney. As a result of her failure to testify the jury was compelled to postpone for 24 hours a decision to indict Arbuckle.

A manslaughter indictment was returned against him. Doctor Arthur Beardslee, house physician at the St. Francis hotel, where the Arbuckle party was held, is still being sought by the district attorney and the police. Dr. Beardslee attended Miss Rappe in the hotel. His testimony is wanted before the grand jury. He is said to be on a hunting trip.

Arraignment Deferred

The arraignment of Roscoe "Fatty" Arbuckle in the superior court of Judge Harold Louderback on a charge of manslaughter in connection with the death of Miss Virginia Rappe came up today, but was continued until Monday, Sept. 26.

Crowds long before court opened today attempted again to gain places of vantage about the courtroom of Superior Judge Harold Louderback, where Arbuckle was to be arraigned, that they might view the film star. Arbuckle in all his court appearances since his arrest has shown disinclination to face these curious folk.

Scores of letters and telegrams continue to arrive at the jail for Arbuckle and in such number he cannot answer them, it was said.
